2. INTRODUCTION

a. **Company History:**

Skill Development Centre (SDC) – Bangladesh was established in the year 2003. For the past seven years, we already ushered significant number of highly skilled manpower to Asia & to other parts of the world. Late of this year, our new 30,000 square feet training centre is opened. **SDC Overseas Training & Testing Centre Ltd-Bangladesh** is considered to be the largest centre in Asia which was approved by ITE Singapore for MARINE & PCM Sector. At a time, the centre can accommodate 30 welding trainees, 20 steel fitters, 20 pipe fitters, 20 electrical fitters, and 18 mechanical fitters, at a time. The centre is fully equipped with facilities such as classrooms, interview rooms, waiting areas, and offices—readily available to provide convenience to our clients as well as to our applicants. Similarly, we have workers accommodation prepared for applicants undergoing training and for those residing outside Dhaka. Basically, we have tailored our facilities to meet everyone's need. Furthermore, currently, we have 547 technical staff employed full-time at the centre.

b. **What the company does:**

For the past 8 years in the industry of employment and facilitating training centres to supply competitive manpower worldwide, our organisation has already mobilised more than 12,000 staff and workers. In this regard, we strongly believe that our experience and history in the business is our strength. Therefore, we are confident that we are able to deliver and meet your manpower requirements.

3. STRATEGY

a. **Vision statement**

We aim to be the leading provider of highly competitive manpower from Bangladesh, guided by the international standards of quality, taking pride for its reputation for delivering highly ethical services.

b. **Mission statement**

We dedicate to providing services with almost professionalism, commit ourselves to total quality, with never ending improvement, and in our service to develop quality and competitive people in any industry to meet and exceed the expectations of the market.

c. Values

We have good pool of highly technically skilled workers from Bangladesh with experience in Singapore. We have also the largest training facilities of its type located at Bangladesh. Below are our facilities available: 30 Welding bays, 20 Steel Fitting Bays, 20 Electrical Fitting Bays, and 18 Pipe Fitting Bays. We have also several classrooms and interview rooms as additional facilities.

d. Staffing Management

We specialize in providing commercially focused human resources expertise. Through our understanding of our clients business plans, we define , design, develop & deliver high quality, leading-edge human resources initiatives tailor made to our employers specifications..

e. Training Development

We provide through training to our candidates for career advancement. We have facilities readily available to provide convenience. We ensure that we develop quality people, from personality development, communication, to having technical skill.

f. Recruitment & Manpower Pooling

Our services are tailored to meet strategically the manpower needs of our clients giving more opportunities for more workers. We understand the recruitment requirements; thereafter we plan, and prepare the manpower. We provide recruitment procedures that is well planned, efficiently performed, carefully coordinated and regularly updated.

4. BUSINESS CONCEPT

a. Business concept

We believe in placing the right people.

b. Products

High quality skilled Manpower

c. Business competitiveness

Our industry of employment and facilitating training centres to supply competitive manpower worldwide, our organisation has already mobilised more than 12,000 staff and workers. In this regard, we strongly believe that our experience and history in the business is our strength. Therefore, we are confident that we are able to deliver and meet your manpower requirements.

d. Service pledge

The company wants to deliver services specialize in providing commercially focused human resources expertise. Through our understanding of our clients business plans, we define , design, develop & deliver high quality, leading-edge human resources initiatives tailor made to our employers specifications.

e. Business model

SDC Overseas Training & Testing Centre Ltd-Bangladesh is founded by a businessman who is committed to make the difference and help the country in his own little and special way, bringing employment to his countryman. Nurtured by experience in the same industry for several years, the Centre is established and developed further with passion and a good will.

The Centre comprises of devoted young professionals who understand the market, keen, and able to deal with all levels of job seekers

We have 47 full time employees to provide technical support. We have consultants in place readily available to guide and advice the operation to ensure meeting the objectives of every individual in The Centre whether they are job seekers, trainees, or employers.

5. MANAGEMENT & OWNERSHIP

a. Management structure:

Chairman
Managing Director
Administrative Management
Recruitment Operation
Database Controlling

I. Training Operation:

Welding Instructors
Fitting Instructors
Electrical Instructors
Scaffolding Instructors
Mechanical Instructors
Blasting Instructors
Painting Instructors

II. Logistics:

Electricians

Storekeepers

Cutting Man

Lathe Operators

MLSS

Security Personnel

Housekeeping Personnel

b. Directors

c. Business & leadership skills

d. Management

e. Office and administrative personnel

f. Professionals & Advisors

g. Attorneys

h. Accountants

i. Affirmative action initiatives

6. CURRENT CUSTOMERS & PROJECTS
